

We are inviting Faith leaders & their staffs, congregation members, and motivated community members to come to the conference to discuss mental health opportunities and challenges to identify collaborative projects and programs to develop sustainable solutions for building healing communities.

We are especially reaching out to community members involved in these segments, anywhere in North Texas:

- * Mental Health Practitioners: Medical, Social Workers, Recovery Centers, EMS associated with Fire, Police, etc.
- * City, County & State Government Agencies and Judicial Systems
- * Universities, Community Colleges, School Districts – Students, Teachers & Administrators, Parents
- * Community Centers in Neighborhoods
- * Members of County Behavioral Leadership Teams
- * Multi-Faith learning institutions

REGISTRATION DETAILS

If you or someone you know fits the above description and would like to attend this conference, please click on the link below.
